**CHAMPIONS LAKE, FLORIDA
Sleeps 8**

Set in 3/4 acre of garden and overlooking a private lake the house has 4 bedrooms and 4 1/2 bathrooms. It sleeps 8 comfortably and offers a great base for a variety of leisure activities. This small select development is set in one of Florida's large conservation areas so you can get the feel of 'real' Florida, whilst being only 40 minutes from Disney and the other theme parks.

Water skiers have the benefit of being able to ski either at the Swiss Ski School, which is on the doorstep, or with Phil Hughes on our private lake (5 sets included in this lot). Catering for skiers of all ages – beginners through to experts – they both offer friendly and professional coaching.

For golfers there is the adjacent Swiss Fairways 18 hole championship par 71 course. This is a region of rolling countryside and popular for horse riding. There are a number of riding stables in the Clermont area. It is also possible to arrange a weekly rate with a couple of local gyms.
