

1. IWWF Over 35 World Championships 2020 held in 2021

For the 2020 IWWF Over 35 World Championships held in 2021 we will use the 2020 Age Divisions but open up the category. (please refer also to point 3)

2. Ranking List to be used for 2021.

In some country, Ranking List is not only used for Championships qualification, but also for sponsorship purpose.

For geographical and political reasons caused by COVID-19 most skiers will not be able to compete during the 2020 season.

We must protect these skiers on the Ranking List we use in 2021.

We must also take into account scores from skiers who ARE able to ski in the 2020 or during the beginning of 2021.

For the above reasons the following apply:

For qualification purpose in addition to the Weekly Ranking List update 60 days before the Championships as for the sponsorship purpose the following apply:

The final November 2020 Ranking List will be a combination of the November 2019 Ranking List and any scores achieved in the 2020 season up to October 30th that influence the 2019 list.

The final May 2021 Ranking List will be a combination of the May 2020 Ranking List and any scores achieved from May 1st, 2020 to April 30th, 2021 that influence the 2020 list.

This means that there may be multiple entries for any particular position in the list.

It also means that the “Top 12” skiers may be more than 12 skiers.

Skiers will always protect their position (1,2,3,4....) from the 2019 November/May 2020 Ranking List

Scores achieved in the 2020/2021 Season will be in the correct position (1,2,3,4...)
