

BULLETIN 1

We are proud to have been selected to host this year. It's going to be a mammoth task but this announcement is a huge boost to our plans to raise the profile of waterskiing in the UK.

We look forward to welcoming back those that have been to us before and extend a warm welcome for those that are visiting us for the first time.

THE SITE

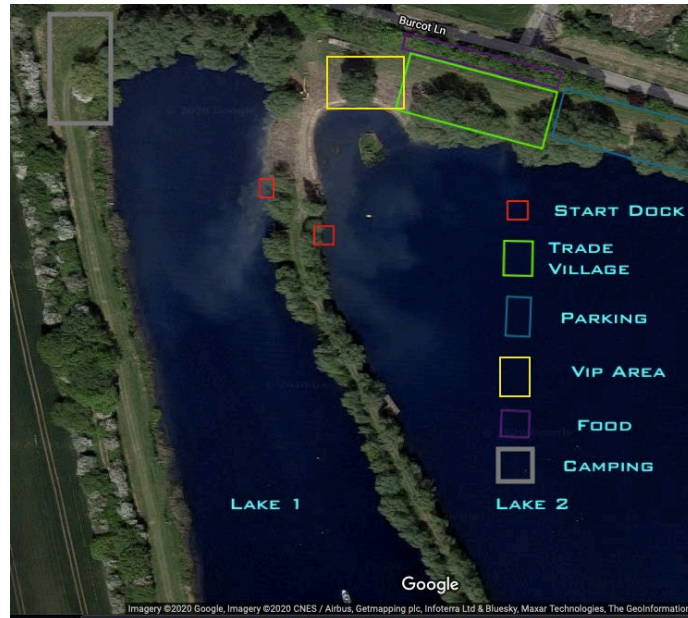

Oxford Wakeboard & Ski Club (OWSC) is an ex-gravel pit which had causeways added at a later date to give us two Slalom lakes and multiple options of where we can situate the ramp.

We are sign posted off the main road and outside the gate. The postcode does bring you straight to the gate and the full address is: -
